

Directions to the Iowa Memorial Union:

Coming from the east or west, Iowa City is just south of I-80 at the Dubuque Street exit (exit 244).

After exiting to the south at Dubuque Street, follow it to Market Street (where you will see a convenience store/gas station on your left).

Turn right on Market (which is one-way), follow it downhill to a dead end, and turn left.

The Iowa Memorial Union will be on your right after the turn, and you will probably be able to park in the parking garage on your left.

After you enter the building, the hotel lobby will be at the southeast corner of the union (to the left, by the river).

Coming from the south (e. g., from St. Louis), you will come into the southwestern edge of Iowa City on 218 north.

The simplest alternative will be to continue north to I-80, follow 80 east for a few miles, then exit right onto Dubuque Street and proceed as above.

Coming from the north (e.g., from Minneapolis), take Highway 35 across the Iowa border to US 14, then turn left on 14 to 218 south (a very short distance).

Follow 218 south to Cedar Falls, where the map shows the highway merging into I-380 south.

Continue on I-380 south to I-80, then turn left (east) to Dubuque Street exit, and proceed as above.

An Iowa map is available online at www.iowamaps.com/msp/pdf/ransmap.

A map of the University of Iowa and its immediate environs can be found at www.uiowa.edu/~maps/areas/downtown.htm.
