

## MVSA PARKING INFORMATION

Campus parking information can be obtained at:

[http://parking.indiana.edu/parking\\_operations/visitor\\_park.aspx](http://parking.indiana.edu/parking_operations/visitor_park.aspx)

On the day we meet at the Lilly, attendees who really must drive can park in the IMU lot at half price, provided they get their tickets endorsed at the Lilly front desk.

Parking downtown is much more manageable and fairly priced, at 50 cents an hour, or \$4 for an 8-hour day, in one of the downtown parking lots or buildings. However, only one of these takes credit cards rather than piles of quarters. (The lot that takes credit cards is the large "Market Garage," located just off the town square, just behind the Hilton garden Inn, at 245 W. 7th Street. The nearest cross street is Morton.) Most downtown hotels have parking. There is no all-day free downtown parking; free spaces are limited to two hours.

Downtown Bloomington parking information can be had at:

<http://bloomington.in.gov/parksmart>

We will have a few volunteer drivers on hand to shuttle those who really cannot walk from campus to downtown--a 15 minute walk--at the appropriate times.
